## **XII. Recruitment Methodology:**

- 1) All the positions are filled up through Direct Recruitment against regular positions with initial contract in lieu of separate probation / tenure / Deputation / Promotion through selection under limited departmental quota of upto 50% vacancies (upto the entry level Group A positions) at each instance, against sanctioned vacancies.
- 2) If applicants are not available on direct recruitment, the posts may be filled-up on Short-term Contract / Transfer-on-absorption basis, wherever required and advertised so.
- 3) **Shortlisting at Level -1 for all the posts**

Screening of the applications received will be done by an Institute level committee to shortlist the candidates to be called for screening test/skill test/written test/computer skill test at level -2. At this level, the committee at its own discretion may restrict the maximum number of candidates to be shortlisted for participating in Level-2 screening. However, short-listing may be done duly deciding higher cut-offs to restrict the number of candidates at each level. If the sufficient/enough number of eligible candidates as per advertisement are not available, the committee may go for a relaxed criteria in terms of the age, percentage of marks, and number of years of experience etc. Therefore, the candidates are advised to apply furnishing all details of qualifications and experience.

The Shortlisting Committee shall devise its own criteria for shortlisting the candidates and optimize the number for inviting them for Screening Test followed by interview. The decision of Shortlisting Committee is final in terms of shortlisting criteria. The shortlisted candidates shall be conveyed by speed post or email for attending the selection process.

In the event of number of applications being large, the short-listing committee of the Institute will adopt a short-listing criteria to restrict the number of candidates to be called for Screening Test and or interview to a reasonable number by one or more of the following methods:

- (i) On the basis of higher educational qualifications than the minimum prescribed in the advertisement.
- (ii) On the basis of higher experience in the relevant field than the minimum prescribed in the advertisement.
- (iii) On the basis of desirable qualifications and / or desirable experience.
- (iv) By counting experience before and / or after the acquisition of essential qualifications.
- (v) Experience gained in relevant posts under Central Government Educational and Research Institutes on regular basis against sanctioned positions.
- (vi) Rejecting the incomplete applications.
- (vii) By holding a Screening Test of qualifying nature only for shortlisting the candidates.

**A. Selection Procedure for Group 'A' positions:**

**Selection by interview only:** The shortlisted candidates will be called for screening test (optional, only for shortlisting the candidates without any weightage for interview, in case of large number of applications shortlisted) and or personal interview before the selection committee on a given date and time conveying through e-mail and speed post only. There will not be any request entertained for change of date of screening test/interview by the individual candidates under any circumstances. The selection committee will make a panel of selected and waitlisted candidates based on performance in the interview on common consensus basis for approval of recommendations by the appointing authority. The results of the interview will be notified to the selected candidates in writing after approval of the competent/appointing authority. No correspondence will be entertained during the process of the selection.

The interview-cum-personal discussion/presentation by the shortlisted candidates will be the decisive point for selection of the candidate. The selection committee at its own discretion may also arrange for a group discussion of the candidates invited for interviews, besides asking them to make a Power Point Presentation (PPT) before the selection committee. However, the committee may dispense with the Power Point Presentation (PPT) and or the group discussion, at its own discretion and conduct the interview alone.

The selection committee shall make its recommendations to the Chairperson, Board or Director as the case may be with the names of the selected candidates being arranged in order of merit.

If need be, the selection committee also may draw a waiting list with sufficient number of eligible candidates from each category who may be given the offer of appointment subject to their meeting/fulfilling all eligibility requirements only in case the selected candidates refuse or fail to join within the stipulated time, which may be upto 6 months in normal circumstances. The waitlist will stand ceased, once all the selected candidates have accepted and joined the positions offered. The waitlist is not a panel of candidates for filling the future vacancies arising out of resignations/ removals/ retirements/ promotions etc. after the interviews/selections are completed against each advertisement.

The activation of waiting list will not be automatic but subject to approval of the competent authority/as per Institute requirements and valid only for six months from the date of announcement of interview.

**B. Selection Procedure for Group B and C Positions:**

**1. Shortlisting of the applications (Level – 1):**

The applications received shall be shortlisted by a committee of experts to shortlist the candidates based on the qualifications and experience advertised. Such candidates will be invited for attending a Screening Test of qualifying nature only followed by qualifying / skill / physical standards test for qualifying the people for interview duly short-listing the candidates, if the number of people to be interviewed is proportionately large, as detailed under the selection process.

**2. Shortlisting at Level – 2**

At this level the Institute may conduct computer based descriptive / objective Screening Test/computer skill tests of qualifying nature only for all candidates shortlisted in Level-1 screening to further shortlist the candidates and bring them on a common platform. However, no weightage shall be passed on to the next level that is Level-3. The screening test of any nature would be of qualifying type only and is independent in itself. To ensure availability of required number of candidates from reserved category (SC/ST/OBC/PwD etc.) a relaxed criteria with lower cut-off marks (SC/ST:10%, OBC/PwD: 5%) may be applied.

The qualifying test will be used only for the purpose of optimising the number of candidates attending the interview and the same would be of qualifying nature to short-list at least three people for each position available. If sufficient number of candidates are not available for attending the interview after short-listing at level-2, the selection committee may decide to invite all the people present in the qualifying test for personal discussion-cum-interview, in order to encourage more participation in the final level of selection process.

The suggested methodology along with suggestive syllabus for computer based descriptive / objective Screening Test / Physical Standard Test / Computer Skill Test of qualifying nature with minimum cut-off marks for each category may be as follows:

### 3. Selection by interview only

The 1<sup>st</sup> Statutes of IISERs which received the assent of the Hon'ble President of India on August 6, 2014 vide Statutes No. 16.10 states that "*The Selection Committee shall examine the credentials of all persons who have applied and may also consider other suitable names suggested, if any, by a member of the Selection Committee or brought otherwise to the notice of the Committee. Therefore, the screening tests of general nature are only for the purpose of shortlisting the candidates for interview and optional at the discretion of the Selection Committee. The screening tests are purely of qualifying nature without any composite weightage, purely in order to reduce the number of candidates to be invited for the interview based on which selections are made.

Therefore, all the selections are made through the recommendations of the Selection Committee based on performance in interview which is intended to test various aspects of personality quotient, domain knowledge and suitability of the candidates for ready deployment for job / assignment with relevant experience, following non-availability of long term induction training or job internships or apprenticeship / probationary training. At all levels the candidates with suitable experience only shall be shortlisted, unlike selection of fresher through competitive exams. Therefore, the selection is termed as "Direct Recruitment on all India basis otherwise than by Open Competition."

The shortlisted candidates from the level 1 and 2, will be called for personal interview before the selection committee on a given date and time conveying in writing through e-mail and speed post only. There will not be any request entertained for change of date of screening test/interview by the individual candidates under any circumstances. The selection committee at its own discretion may also arrange for a group discussion of the candidates invited for interviews, besides asking them to make a Power Point Presentation (PPT) before the selection committee. However, the committee may dispense with the Power Point Presentation (PPT) and or the group discussion, at its own discretion and conduct the interview alone.

The selection committee shall draw a list of the selected candidates in the order of merit in the interview from each category. If required, the selection committee also may draw a waiting list with sufficient number of eligible candidates from each category who may be given the offer of appointment subject to their meeting/fulfilling all eligibility requirements only in case the selected candidates refuse or fail to join within the stipulated time, which may be upto 6 months in normal circumstances. The waitlist will stand ceased, once all the selected candidates have accepted and joined the positions offered against the position announced in the advertisement.
