**AN OVERVIEW**

Sanjay Gandhi Postgraduate Institute of Medical Sciences has been established under the State Legislature Act in 1983. It was created by the state of Uttar Pradesh as a Centre of excellence for providing medical care, education, and research of the highest order. The institute is situated in a 550 acres campus at Raebareli Road, 15 km from the main city. Lucknow is located about 500 km east of New Delhi and is the capital of Uttar Pradesh. It is rated among the top medical institutions in the country. A highly skilled and dedicated faculty provides quality education and state-of-the-art patient care and is involved in research that strives to meet the needs of society. The Institute awards DM, MCh, MD and MS degrees that are recognized by the National Medical Commission of India. It also offers a PhD program, a 2-year Master in Hospital Administration program (approved by

the University Grant Commission) and one-year Post-Doctoral Certificate Courses (PDCC), One-year Post-Doctoral Fellowship (PDF) & two years Post-Doctoral Advance Fellowship (PDAF) courses in different medical specialties. In addition, the Institute offers several non-degree/non-certificate training positions, such as Senior Resident (hospital services) and Junior Resident (Non-academic) positions in several medical specialties, a Senior Demonstrator program in Molecular Medicine & Biotechnology, Statistical Fellows in Biostatistics and Health Informatics and a Medical Physics Resident program in Radiotherapy.
